Stop Rebuilding Your Goulds Power Ends!

Have you heard about the great program Goulds is offering on its power ends for models 3196, 3175, and 3180's? Well you should start asking your salesman questions because this program will save you time and money! Instead of taking the time to go through a long tiring process of rebuilding your power end you can simply replace it just like that! Ask your Atlantic Pump & Engineering salesman today about the benefits of the Goulds Premier Power End Replacement Program today and you won't be sorry!

Maine Water Utilities Association 82nd Annual Trade Show!

Come check out Atlantic Pump & Engineering, Inc. and meet with the actual salesmen at this great tradeshow! The MWUA sponsors the premier waterworks tradeshow in New England. If you are looking for new materials and technologies to update your water treatment facility this is the show for you!

February 13, 2008 - 8:00-3:00, located at the Cumberland County Civic Center in Portland Maine!

Looking for surplus inventory? We have some! Check out the surplus inventory list on our webpage to easily and quickly get a part you might be in need of!

Keep an eye out for new features on our website www.atlanticpump.com – such as Meet the Employees and photos of pumps we have worked with!

Atlantic Pump & Engineering, Inc. hopes everyone had a wonderful holiday season and wishes everyone a Happy New Year! Thanks for your continued business, support, and interest!
